

BEGINNING OF A NEW ERA OF ENDLESS OPPORTUNITIES

INSPIRING THE NEXT!

IT parks in Kerala have witnessed a surge in infrastructure investments in the last few years. Today, big groups such as Embassy, Brigade, and Lulu are creating more space in these parks with their IT realty projects. "We are looking at double-digit growth in the next few years," says John M Thomas, Kerala State IT Parks CEO. The growth is due to the timely guidance and support by the State government and concerted efforts put in proper planning and implementation of projects by stakeholders, he said.

Proposal invited for setting up IT/ITES office spaces in Infopark

Infoparks Kerala invites proposals from reputed infrastructure developers and technology companies to build and operate a world-class IT/ITES office space at the heart of Kochi's IT corridor - Infopark Phase 1. A building of up to 2.78 lakhs sq ft may be constructed, and all permits may be obtained through Infopark Single Window Clearance Board. For more information,

Technopark to create 1,600 jobs during the rest of this financial year

Technopark Thiruvananthapuram is hoping to generate 1,600 incremental jobs during the rest of this financial year, compared to the 1,500 it managed to create during the pandemic-hit 2020-21, by allotting space to more companies as part of an aggressive expansion plan. Technopark is already home to 63,700 professionals across 465 companies.
