

# Reboot'22

## WE'RE REBOOTING!

After a long gap of two years due to the pandemic induced slowdown, we're Rebooting! March, for us, was a vibrant month. We hosted a mega job fair, Reboot '22 at Cyberpark. We conducted various Women's Day events across the three tech parks and had guests from all walks of life visit us from across the globe. But what made us very excited were the thousands of candidates who lined up at Cyberpark with hopes in their hearts and spring in their steps. That's something we are really proud about - and that's not all. Scroll down

### More on Reboot '22!

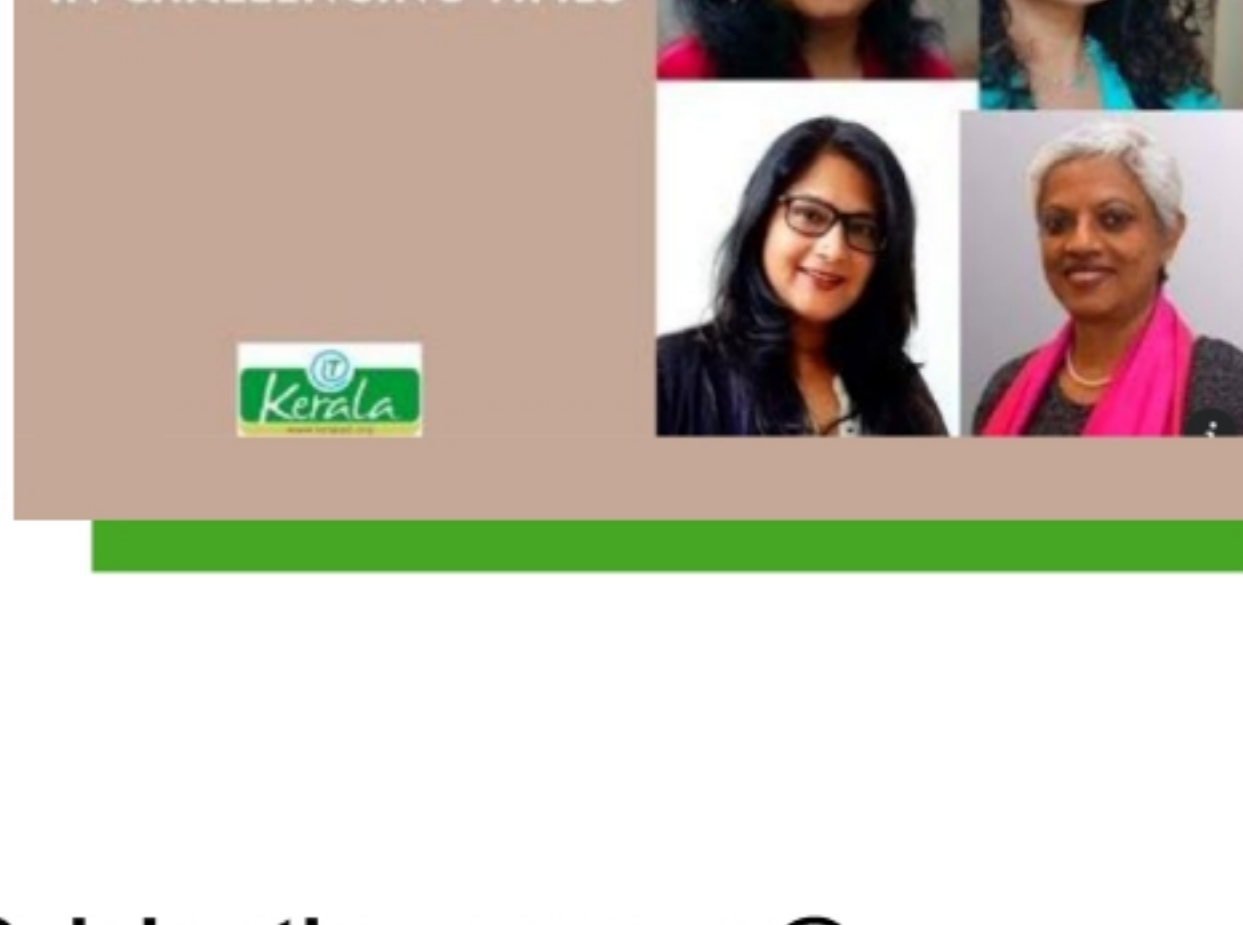

We were so thrilled to see life get back to the new normal during Reboot '22 that we can't stop speaking about it! Organised by Government Cyberpark and CAFIT in association with major organisations from the region, Reboot '22 brought 60+ companies from and around Cyberpark under one roof to offer deserving candidates a chance to prove their mettle. The event also had some fantastic sessions by experts from the IT sector. Check this out

### Celebrating women @ Technopark

Technopark hosted an array of events to celebrate Women's Day. From honoring the women staff from the housekeeping and gardening department, over the age of 55 to sports, games and events to express gratitude, the entire month was dedicated to women. This was in addition to the various individual companies organizing many events. Here's a sneak peek

### We are excited to welcome...

It is slowly and gradually getting back to business as usual at the many tech parks across the state. Technopark was happy to host students from the tribal communities as part of an exchange program recently. We had some international delegates visiting too! The Park had the chance to welcome The Consul General of Royal Thai Consulate H.E Mr. Nitrooge Phoneprasert and a delegation from the National University of Science & Technology, Oman, this last month.

### Holi Hai

Who said that it is all work at no play at the tech parks across the state? Spirits were running high with the techies indulging in festivities. It was much fervour and enthusiasm in this Holi. It was an evening to unwind, de-stress and make life-long connections for techies who don't get time to relax otherwise.
