Kerala AI Future Con 2026: Shaping India's Digital Frontier

Kerala took centre stage as the regional gateway to the India AI Impact Summit 2026. On January 23, 2026, the Kerala AI Future Con 2026 was held at The Leela Kovalam, Thiruvananthapuram, bringing together global visionaries, policymakers, and industry leaders to examine the next phase of artificial intelligence.

The conclave served as an exclusive regional platform that enabled meaningful engagement among academia, startups, and technology professionals, helping bridge the gap between innovation and real-world governance. Discussions addressed critical themes, including healthcare, sustainable governance, ethical frameworks, and cross-sector AI applications, underscoring the importance of responsible and inclusive AI adoption.
