### Park with ease, work with peace!

To accommodate the growing needs of its vibrant community, Infopark Kochi Phase 1 has expanded its car parking facilities. The new dedicated parking spaces are available for both employees and companies, offering enhanced convenience. Two key zones, Infopark Square and Parking Lot, have been strategically organized to streamline the parking process. These upgraded spaces aim to provide a smoother, hassle-free parking experience, allowing visitors and employees to park with ease and focus on their work without stress.

Infopark, nestled in Kochi, Kerala, is a government-owned IT hub established in 2004. Spanning an impressive 323 acres, it has expanded with additional campuses in Koratty (Thrissur district) and Cherthala (Alappuzha district). A significant portion of its land is designated as an IT/ITES-specific Special Economic Zone (SEZ) by the Ministry of Commerce and Industry. Today, Infopark hosts over 582 companies across its campuses, providing employment to more than 70,000 IT professionals.
